Annual Report

Hello friends of Sprout! This past year marks my first year as Executive Director. It has been a fantastic ride with the staff and Board, and I am so thankful to be in this position. Over the course of fiscal year 2025 we hit some record numbers in our services to children and their families. Everything from thousands of miles traveled to provide ILP therapies to 59 families in their homes, a record number of diapers and books distributed, to the beginnings of a brand-new program in offering infant massage. 2025 was indeed a robust year and we thank each of you who helped make that possible. All of us at Sprout are excited about the upcoming year and some of the big goals we have set for the organization. And remember, no matter what we are seeing at the state level or within the non-profit sector, Sprout will always be dedicated to helping children reach their full potential in the communities that we serve.

*Jon McGhee,* Executive Director

# Year in Review

*All the people through Sprout that we have gotten to work with him have been great listeners and have really taken it upon themselves to make sure not only our son gets the assistance he needs but that we get the support we need as well. We appreciate them taking the time to explain everything to us, give us our options, and also listen to our goals and thoughts. So thankful for their support and looking forward to their assistance as we transition to the next steps. – SPROUT PARENT*
